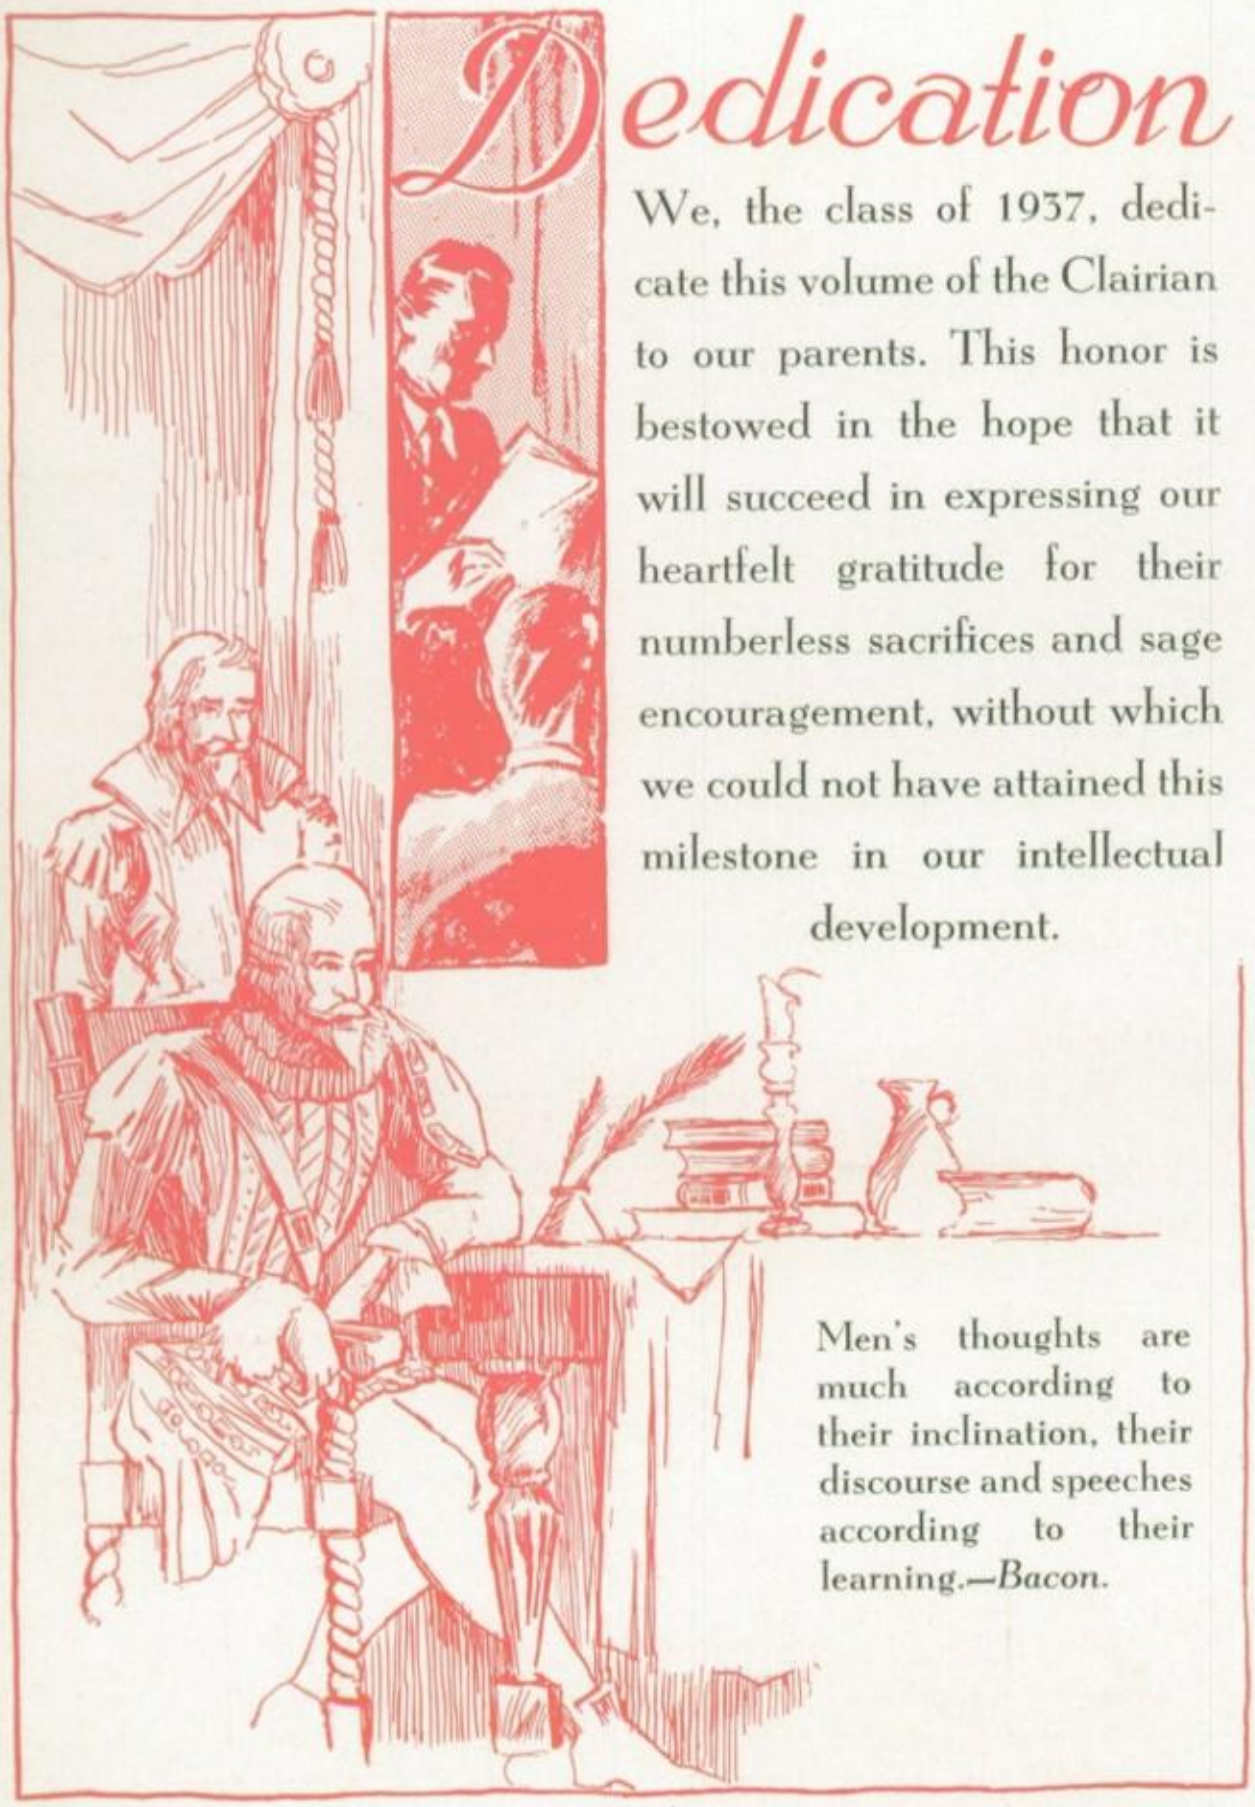
"The man of understanding will honor knowledge above all."

—*Socrates*

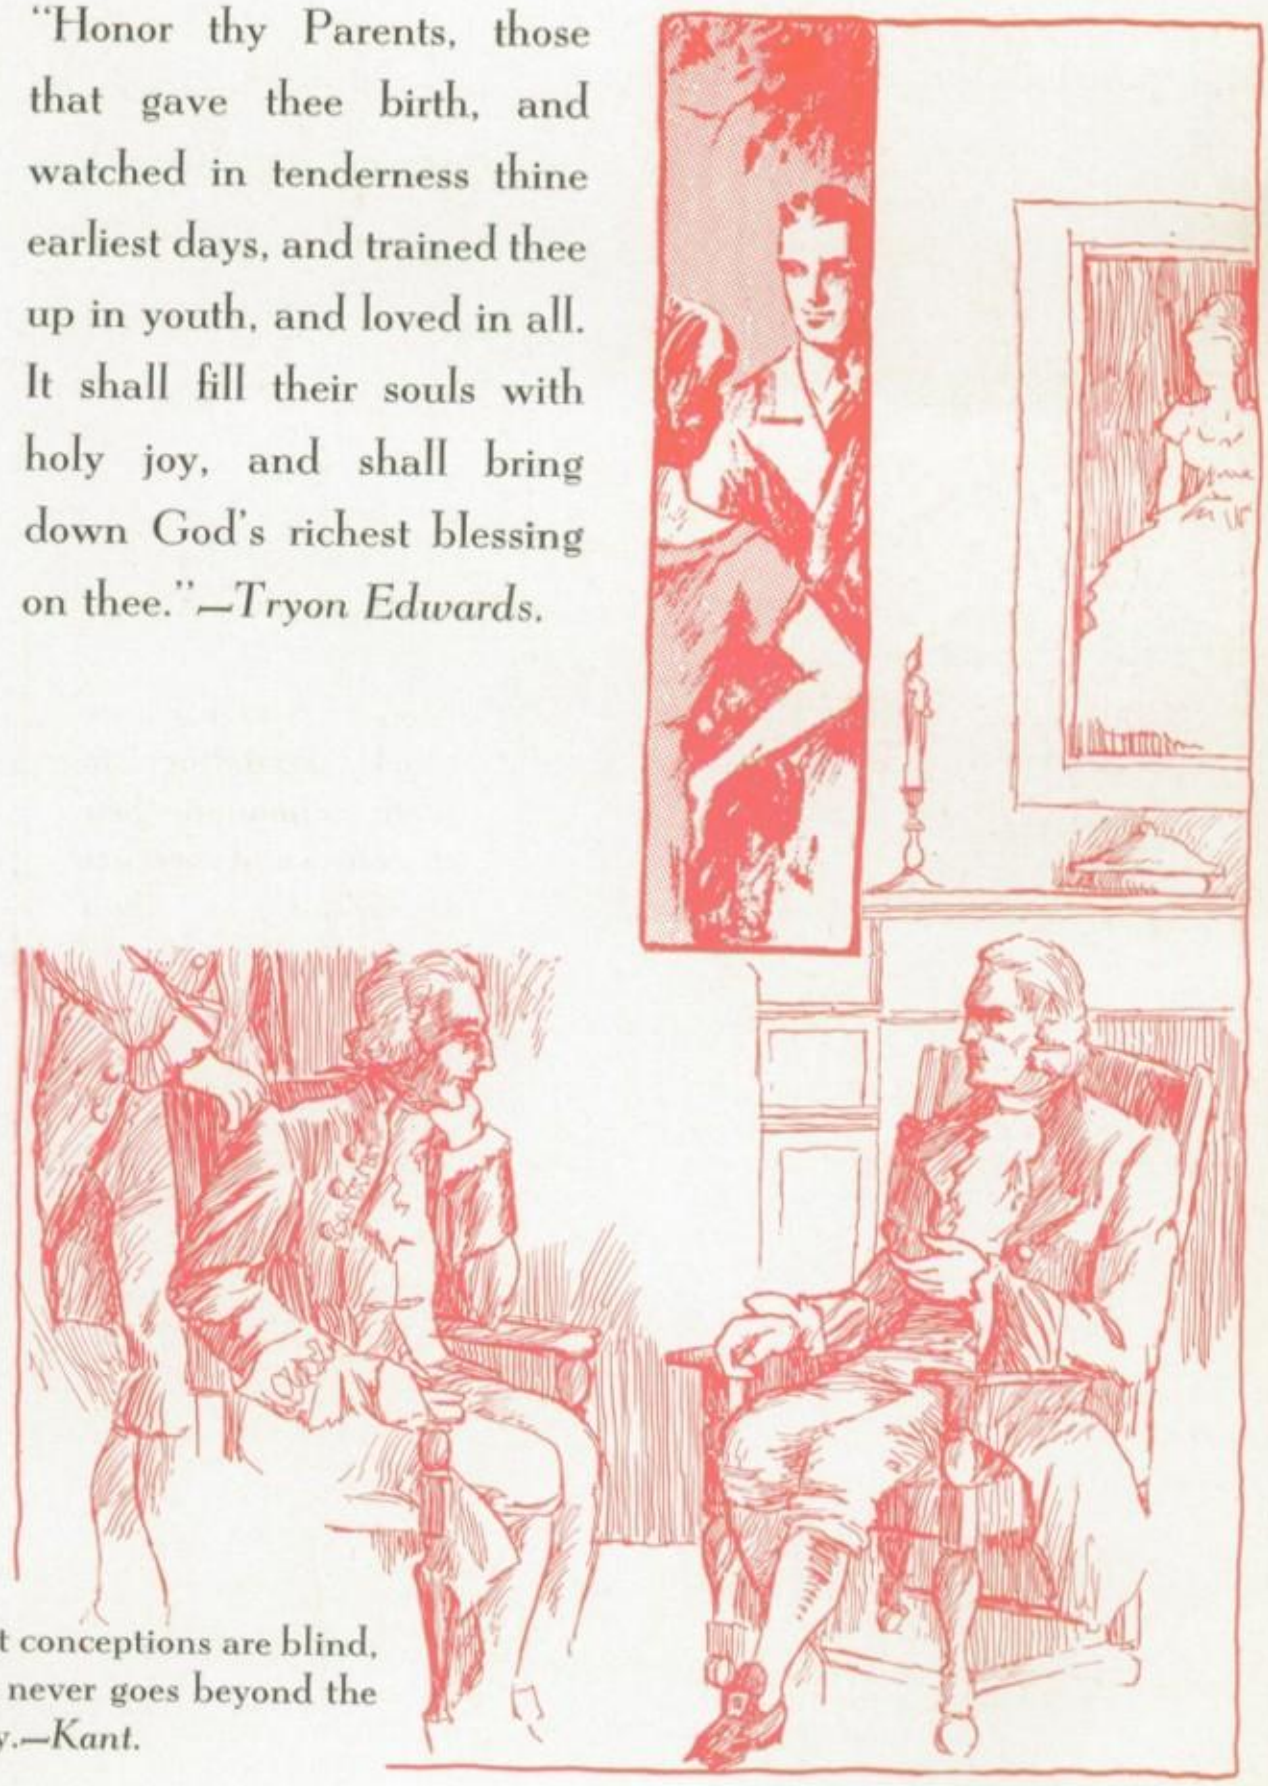


Dedication

We, the class of 1937, dedicate this volume of the Clairian to our parents. This honor is bestowed in the hope that it will succeed in expressing our heartfelt gratitude for their numberless sacrifices and sage encouragement, without which we could not have attained this milestone in our intellectual development.

Men's thoughts are much according to their inclination, their discourse and speeches according to their learning.—*Bacon.*

"Honor thy Parents, those that gave thee birth, and watched in tenderness thine earliest days, and trained thee up in youth, and loved in all. It shall fill their souls with holy joy, and shall bring down God's richest blessing on thee."—*Tryon Edwards.*



Perceptions without conceptions are blind, and understanding never goes beyond the limits of sensibility.—*Kant.*

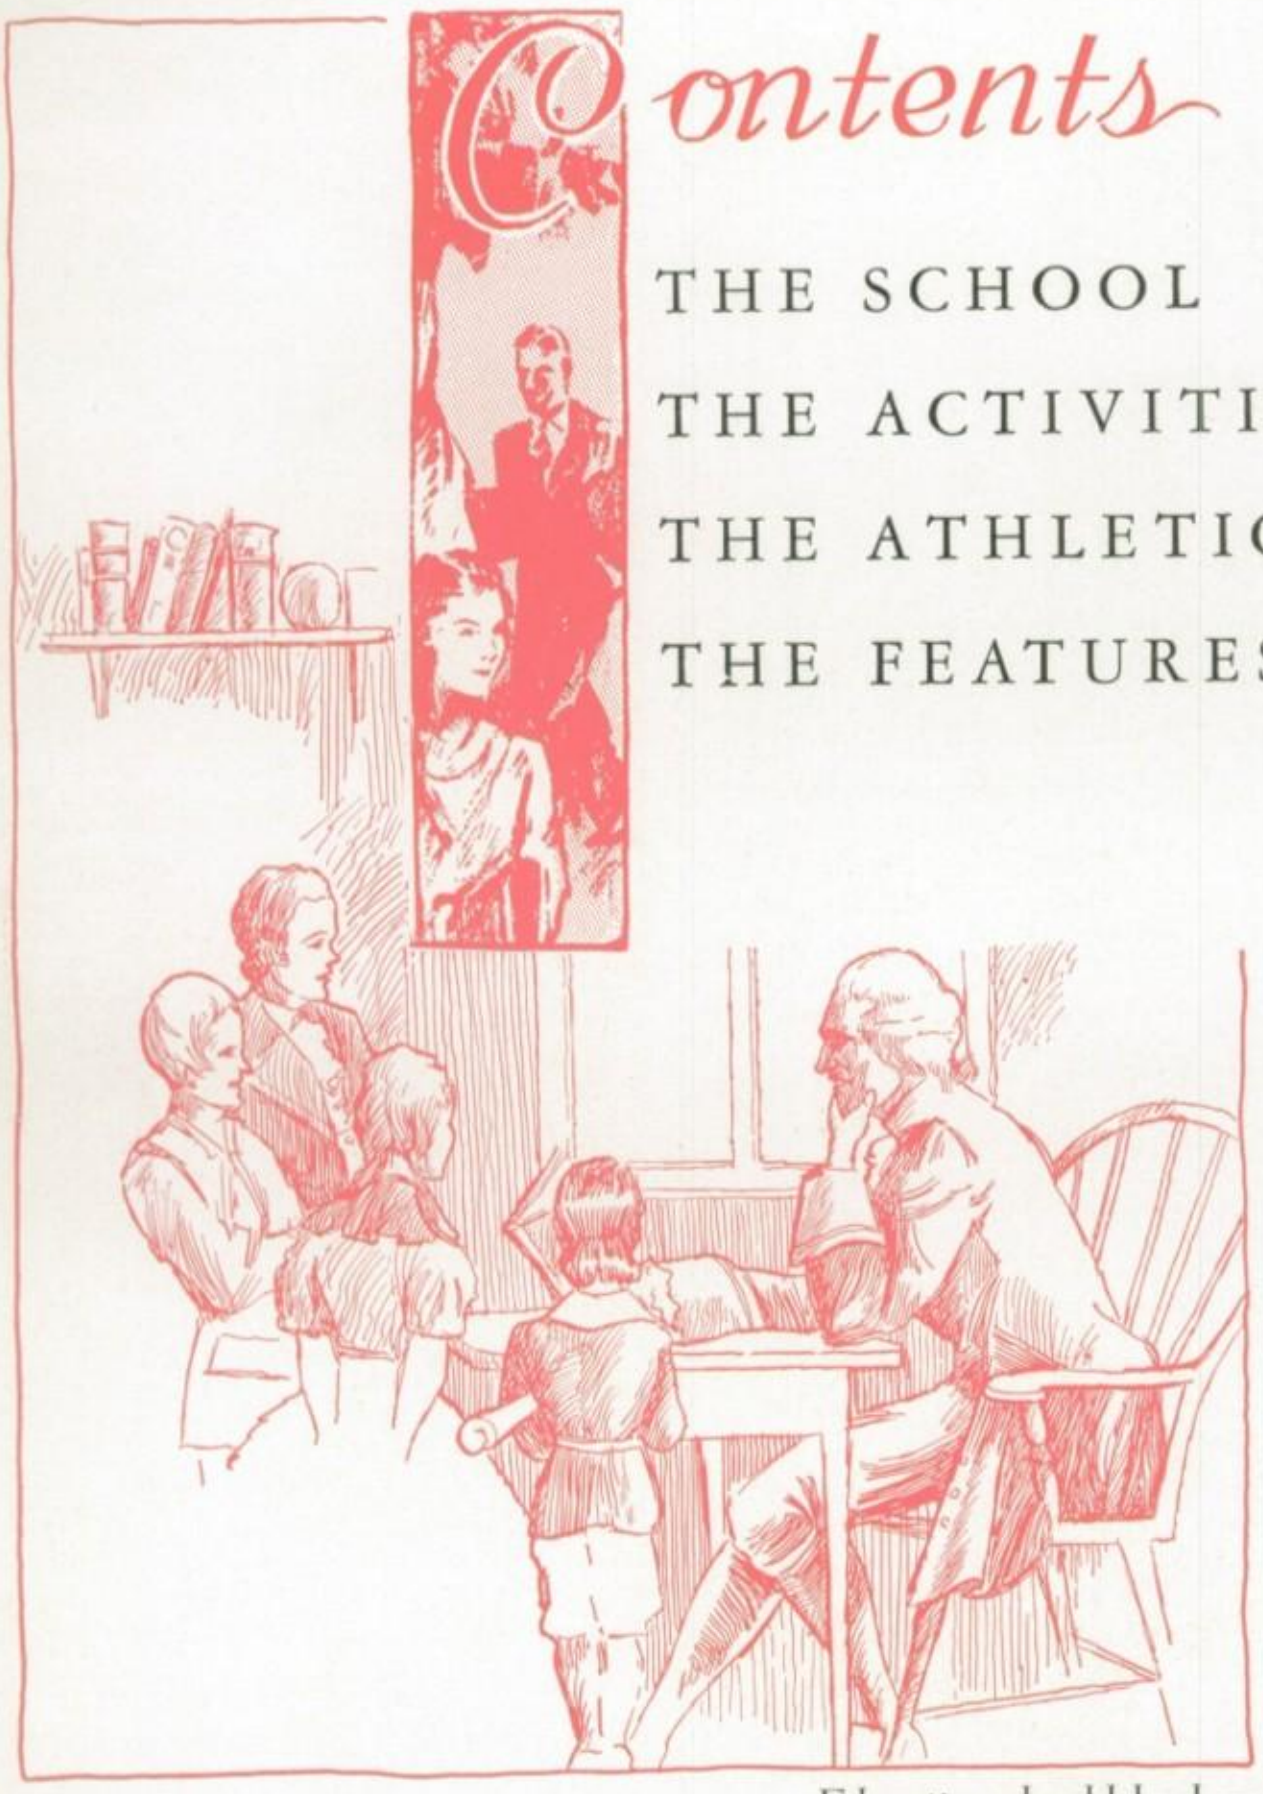
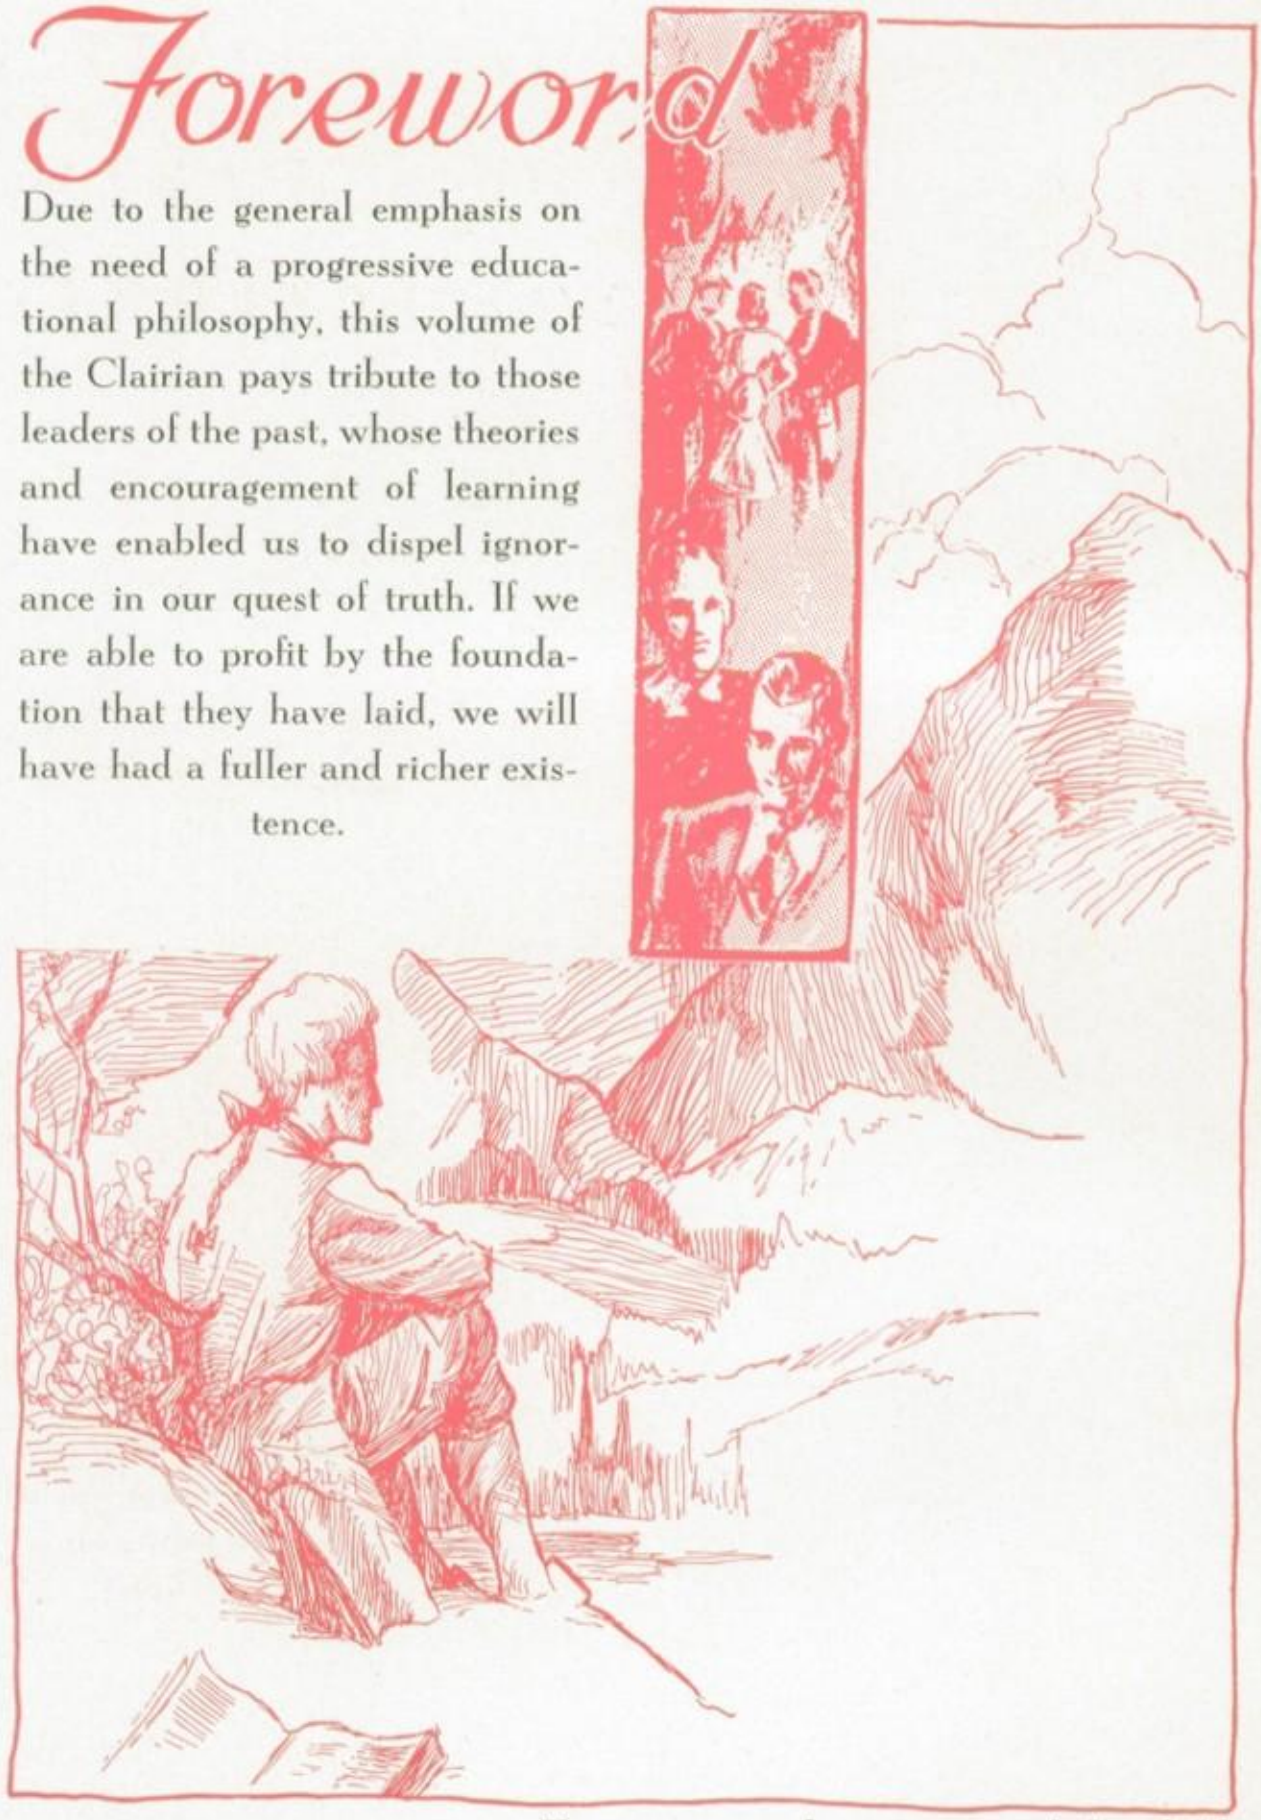
THE FEATURES



Education should lead and guide man to clearness concerning himself and in himself, to peace with nature; and to unity with God.—*Froebel.*

Foreword

Due to the general emphasis on the need of a progressive educational philosophy, this volume of the Clairian pays tribute to those leaders of the past, whose theories and encouragement of learning have enabled us to dispel ignorance in our quest of truth. If we are able to profit by the foundation that they have laid, we will have had a fuller and richer existence.



To encourage the attention of the child, to exercise his judgment, to raise his heart to noble sentiments; these I think the chief ends of education.—*Pestalozzi.*

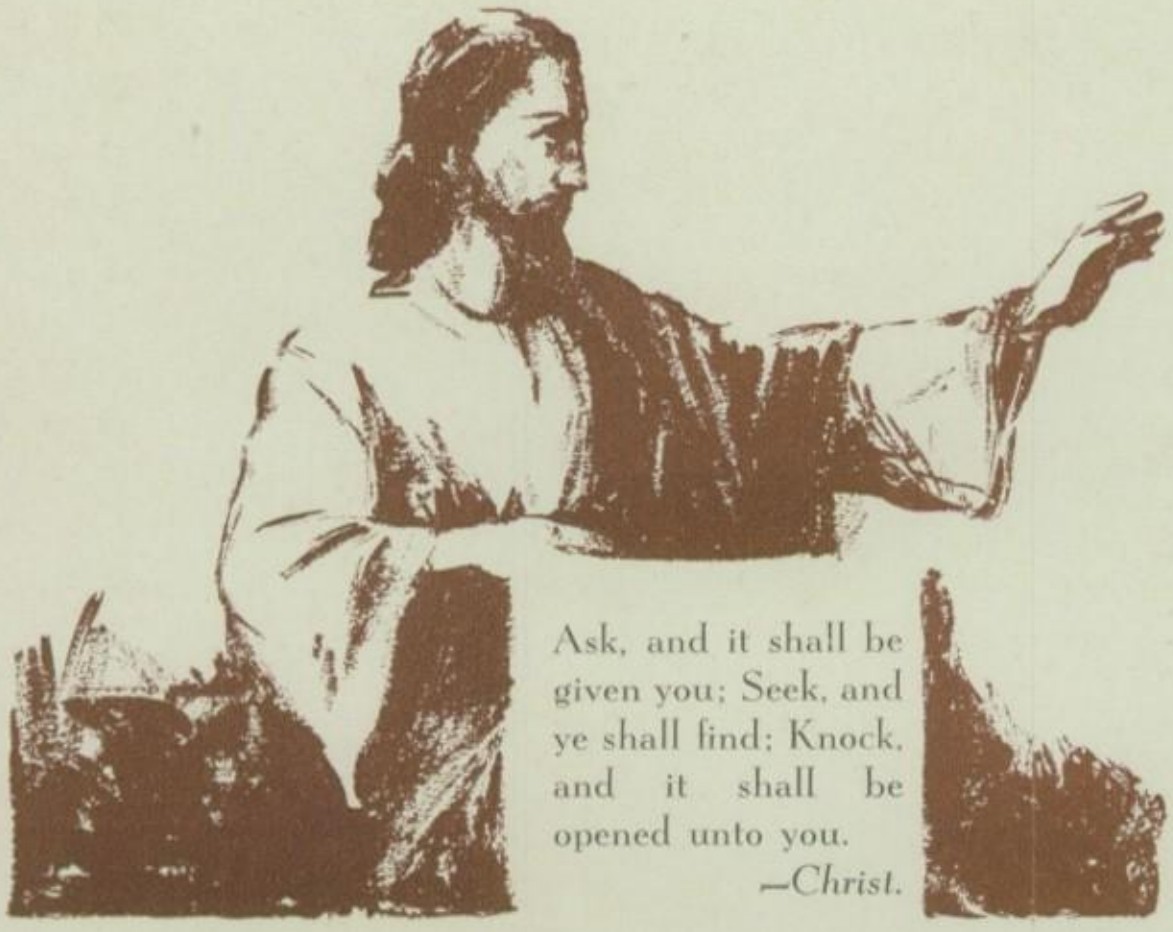
Alma Mater

Although Pottsville's always favored
The Crimson and the White,
And the loyal sons of Coaldale,
For their Black and Orange fight.

Yet we hold our colors tender
May their fortune prove more true,
As we fight for dear old Saint Clair
And its noted Red and Blue.

Tune: Orange and Black

The School



Ask, and it shall be given you; Seek, and ye shall find; Knock, and it shall be opened unto you.

—*Christ.*

Class Song

Dear Alma Mater we say
Sad "Au Revoir" to you this day
Life's been four years of song.
Harmony ringing, glad hearts all singing
With joy and happiness true—
Each note a tribute to you.
We will ever be true to thee alone.

Saint Clair High dear and true,
Our chosen paths must lead from you.
Parting's sorrow we know,
But from this sorrow, hopes for tomorrow
Must lead us firm on our way,
On to a life abundant.
We can never repay our debt to thee.

Tune: "Sympathy," from Friml's Operetta "The Firefly"

Sincerely yours
Charles R. Birch

IN modern times new objectives of educational development have been recognized in our public schools. Greater emphasis has been placed upon the social values of education largely as a result of the philosophy that education is maintained for the preservation and maintenance of the state. The existent social order can be maintained only so long as its participants remain loyal and sympathetic to the ideas of democracy upon which its institutions may be founded.

And since a democracy is a changing organism our materials of education must constantly undergo revisions in the light of our present needs. The "Clairian" is an expression of that changing viewpoint as manifested in the Saint Clair High School. We must judge its worth from the improvement it portrays in contrast to previous issues in the democratic development of our institution.

No longer can a book of this kind justify its publication as a record of scholastic or athletic achievement of its students or of its alumni in higher institutions. It must prove its worth by showing to what extent our institution is developing worthwhile citizens of the community of Saint Clair.

SINCE the inception of the Public School System in Saint Clair in 1838, there have been many revolutionary changes in its structure.

It was not until approximately 1872 that a High School course was established in the system, and this had no curriculum leading to a graduation until 1903. At this time a three-year course was organized, with the fourth year to be taken at some other chosen place. Twenty-one years later, due to the erection of a new building, the first graduation exercises were held for a class completing a standard four-year course.

The man conceded to have been the first high school principal in town, was Mr. Richard Brown. He was succeeded in 1883 by Mr. T. G. Jones whose 52 years of service in the local system, were terminated by his retirement in 1922.

After 1922, Mr. W. J. Evans, Mr. Ira Goss, Mr. W. W. Ridge, Mr. Isaac Rissmiller, and Mr. Charles R. Birch respectively, served in this capacity. The present incumbent, Mr. E. S. Bodenhorn, assumed his duties in 1928, and is to be complimented for the devoted service that he has rendered to the system so characterized by efficient and inspiring principalship.

CLASS SYMBOLS

Colors: Cardinal and White

Flower: Red Rose

Motto: "Find a way or make one."

CALVIN S. AULENBACH
"Auk"

CALVIN'S hobby is coming to school late. Unfortunately, his many outside attractions frequently kept him from doing his scholastic duties according to his ability. Besides being a humorist, he won our hearts through his hard and faithful work as our class president.

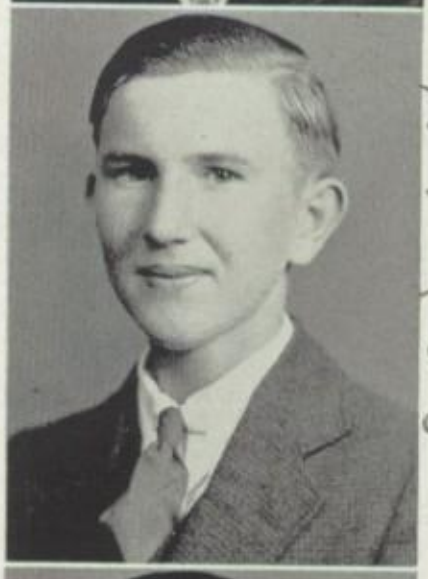
Academic Course: Alpha Delta Pi 3-4; Baseball 3-4; Student Council; Booster 4; Senior Play; President 4.

RITA K. BAKER
"Rita"

"RITA" is one of the foremost female dance enthusiasts in our class. Her ability is not limited to mere ballroom dancing, but extends into dance specialties. Although not obtrusive in class, her record is a creditable one. Her gay whimsical spirit fits in the limelight at all occasions.

General Course: Glee Club.

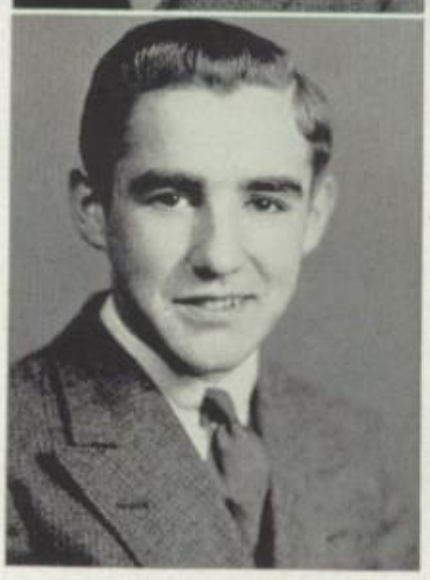
HERBERT W. BARNES
"Herby"



HERBY hails from Diener's Hill, but nevertheless he makes the journey very regularly. He is small, but his jolly disposition has made his circle of friendship large. He is on quite familiar terms with the girls, and no wonder, for his beaming smile attracts the fairer sex to his side as a magnet attracts metallic substances.

Commercial Course: Business Training Club.

NICK BEDNAR
"Nick"



NICK is the quiet type of person despite his easy-going disposition, and consequently he never gets into any kind of trouble. He is up to the standard when anything is expected of him. We have an idea that Nick is going to be a confectionery dealer, and we hope he succeeds in his chosen career.

Commercial Course: Business Training Club 4.

To the Don Juan of the Senior Class
I wish success & luck
with the females of the species
"Bix"

ADELE L. BIXLER
"Bix"

BUSY is the word for "Bix", as you no doubt can judge by the list of her activities. She enjoys dancing, and is seen at all the school functions. This sophisticated young lady is loved by all whom she meets, her cheery smile and sunny disposition invariably winning the hearts of her acquaintances.

Academic Course; Alpha Delta Pi; Booster 4; Dramatic Club; Clairian 4; Senior Play.

Remember the good times we had at the Hooky Jont.
If clean

HELEN E. BLAHOSKY
"Helen"

HELEN likes to dance! Because it naturally follows that she can dance well, she never has to hunt for a partner. She can be seen at most school functions, always laughing and enjoying herself. Her interests are in the Commercial field and she has visions of becoming a secretary to some far-seeing young business man.

Commercial Course; Dramatic Club; Business Training Club 3-4; Clairian Staff; Girl Reserves.

Success to a very industrious fellow.
Mr. Bobber

MARY F. BOBBER
"Mary"

GIVE Mary a book and she'll read for hours. Of course it must be fiction, and it must be an interesting book. With never a worry and never a care, Mary goes along doing her part to make other people happy. We wish her the best of luck in the future.

Commercial Course; Girl Reserves; Glee Club; Business Training Club 3-4.

Success to a nice friend
"Steve"

STEVEN BOCK
"Steve"

WE recognize Steve's greatest interest to be in the intricacies of steam shovels. The delight he takes in seeing them function is paralleled only by his enjoyment in the classroom. Steve, accordingly, is one of our most industrious classmates, especially in science and mathematics. The mechanical world awaits his genius.

Academic Course.

JOSEPH W. BOSCHE

"Knocker"

"Knocker" is one of our grid heroes. For the last two years he has shown us his exceptional football ability. His pet hobby is, oddly enough, coming late. Perhaps the knocks Joe absorbed in his games will fit him to sustain those of the world. We are hoping he shows equal skill in the game of life as in that of football.

General Course; Football 3-4.

Lots of luck to a very, very nice young man Knocker

JOSEPH V. BRADY

"Joe"

Our friend Joe is an eloquent young man. He has a fearless ability to express his own opinions, regardless of how drastic or radical they might be. His idea of an agreeable person is one who agrees with him. However, Joe has done everything possible for the success of his class, and we see in him a future politician.

General Course; Gym Team Manager; President 2; Clairian Staff; Alpha Delta Pi; Football 1; Prom Committee.

To a Pal. Always remember '37 Joe Brady Pal Best wishes and success in future years

ROSEMARY T. BURKE

"Rosemary"

You don't know Rosemary! This may be due to the fact that Rosemary is shy and seldom heard from. However, timidness seems to make her more popular. She is one of the beauties of our class, and her companionship is always in demand by the opposite sex.

Commercial Course; Girl Reserves; Business Training Club 3-4.

DOLORES E. CHAMBERS

"Cis"

"Cis," who hails from Wadesville, has a long walk to school. This exercise may account for her being the tallest girl in our class. She displayed her ability as an actress in the class play, and possesses a carefree manner that we sincerely wish will be with her throughout her life.

Commercial Course; Glee Club; Class Play; Clairian Staff; Business Training Club 3-4.

Larry: Lots of luck and even though you are a Senior keep it up. Cis.

SALVADOR S. CHERRY
"Sam"

SAM is a handsome young member of our class. His friendly smile and laughing eyes have won him many sincere friends. He is the Clark Gable of our group, being the object of many girls' affections. Besides being a talented actor and a good student, he is a distinguished violinist.

Academic Course; Alpha Delta Pi 4; Senior Play; Booster 2; Clairian.

JAMES M. CONLEN
"Red"

KNOWN to every one as "Red," this dashing young gentleman is our football hero, having been seen on our gridiron for four consecutive seasons. A Lothario in his own right, he has displayed his agility and splendid physique many times in our Gym Team exhibitions. We hope to see his name in headlines in the athlytic world.

Academic Course; Football 1-2-3-4; Vice-President 3; Gym Team 2-3-4; Operetta 2; Alpha Delta Pi 3-4.

ANNA E. DALEY
"Pan"

"PAN" is one of our "Dancing Ladies." Her dancing moods seem to be rather constant for her gay, flashing figure is seen at all the local social affairs. In spite of her sense of humor, which makes her eligible for the "Carefree Club", she does not altogether neglect her scholastic requirements.

General Course; Glee Club.

ELIZABETH W. DAVID
"Bubbles"

ELIZABETH is one of our versatile students. She pursued the straight academic course throughout her school career, and entertained her associates with a constant flow of original chatter on the subjects at hand. Music is her hobby, but she has great ambitions to become a lawyer.

Academic Course; Alpha Delta Pi 3-4.

RUSSEL E. DRAOVITCH
"Russ"

WHETHER in class or out, we never hear a word from "Russ". This modest boy prefers to just sit and listen, and rarely, if ever, renders an opinion on the subject discussed. His everlasting quietness and attentiveness have gained him the respect of his classmates, and have made him an ideal pupil in the eyes of his teachers.

Commercial Course.

JUSTINE V. DUDISH
"Jerry"

JUSTINE has a habit of laughing in a class, for no apparent reason. However, quiet and reserved before those with whom she is not well acquainted, when among friends she keeps them in constant mirth. We wish the best for this girl with the infectious good humor.

Academic Course; Alpha Delta Pi.

SUE C. DUDISH
"Jan"

SUE is one of the tiny girls of our class, who is inclined to see the better side of a situation, due to a well-developed sense of humor. She is very popular among her classmates, and is made conspicuous by her charming locks. May success and happiness be yours, Sue!

Academic Course; Alpha Delta Pi 3-4; Booster Staff 4; Dramatic Club 4; Glee Club 3-4.

MICHAEL FATULA
"Doffils Jr."

MIKE is a happy-go-lucky type of person. He enjoys movies and hikes, in preference to his studies. His real ambition remains a mystery to us, as he confides his desires to his bosom friends only. We hope Dame Fortune becomes his best Friend.

Commercial Course.

Luck and success to a handsome boy and also a very nice dancer. Thops you get everything you want Remember "Irell"

ELLEN A. FLANNERY

"Ellen"

HERE we have a tall attractive blonde, who, instead of reserving her charm for her local admirers, chooses to use it for conquests in other territories, especially Pottsville. However, enough of her time is spent here to delight us with her light-hearted, merry wit. Later this wit will be one of her most advantageous qualities, in chasing the doldrums of life.

General Course.

Lots of luck to a Rooter who's on your step with the girls. Don't mind me

Lefty '37

HAROLD J. FLANNERY

"Lefty"

"LEFTY" is one of our best male candidates for dancing honors. Unfortunately the pursuit of his recreation necessitates his staying up late and being sleepy in school. This is unimportant in his opinion, and he continues on his merry way. We expect a lot from "Lefty", who in spite of his apparent carelessness, is very efficient.

General Course.

Best wishes to a young drink boy.

Mary Flannery

MARY FLANNERY

"Pat"

ALTHOUGH Mary is quiet and solemn in school, we find her quite different in a different environment. She is usually speeding toward Pottsville, and we wonder why? Good fortune should come her way as she is one of the few girls of the class who never show a sign of ill-temper.

Academic Course.

Best wishes for your future success.

Betty

ELIZABETH M. FOX

"Betty"

ONE of the most outstanding students in our class, Betty is a source of pride to us. She has served faithfully as president of the Business Training Club, and her hard work and thorough study will make her the ideal secretary.

Commercial Course; Glee Club; Girl Reserves; Clairian Staff; Business Training Club 3-4; President 4; Class Treasurer 3.

LORETTA R. FOX

"Loretto"

LORETTA is a movie fan if ever there was one. She'll gladly go to the pictures seven nights a week; she'll go in the afternoon too, if possible. But this doesn't detract from her scholastic ability. She is a very good student and a frequent member of the honor roll.

Commercial Course: Girl Reserves 2; Glee Club 1; Business Training Club 3-4; Clairian Staff.

Lots of luck to a future Senior.
"Loretta"

MARY M. FITZ

"Sandy"

MOST of us know only the quiet side of this little lady who hails from Arnot's Addition, but those who are really familiar with her can very easily appreciate her pleasant charm and poise. Mary has graced the Gym Team with her presence ever since its founding.

Academic Course: Glee Club 1-2-3-4; Gym Team 2-3-4, Captain 4; Dramatic Club 4.

Happiness to a junior whom we've in our dramatic club. Remember that party we had? I guess I'll see more of you in Corning.
"Sandy"

JOHN FEDICKO

"Fedicky"

JOHN is well known for his willingness to work and should succeed in whatever he chooses to do. His determination to finish a task was a profitable factor to our class. He is a booster of all sports, and plays basketball in a manner that causes us to regret the lack of proper facilities.

Commercial Course: Business Training Club 3-4; Clairian Staff.

Sorry your name is so long.
Always your pal,
John

JOSEPH GRAVISH

"Beppo"

BEPPO is short, although his lack of height is overcome by his unusual activity. The two interests of Beppo's life are Commercial studies and driving fast cars. At the wheel, Beppo is just a big and formidable as the next man, and he knows it. If he survives his driving, he will doubtless apply his business training to the development of a coal syndicate.

Commercial Course: Business Training Club 3-4.

It's a coincidence that your name is little and I am little so we will always be friends.
"Beppo"

A funny boy from over the hill wishes you the best of luck in your senior year.
"Billy"

WILLIAM J. GRIFFITHS
"Billy"

"Billy" is our donation to dramatics. We see in him a future W. C. Fields. This tall member of our class can portray a variety of characterizations with great ease. We feel sure that big business will some day benefit from this energetic executive, who has come "over the hill" to grace our ranks.

Commercial Course; Dramatic Club 4; Business Training Club 3-4; Clairian Business Manager; Booster Staff.

Good luck to you Ray. Always Yours Marky.
This puts a nice finish.
Ray

RAYMOND HERCHA
"Cactus"

Ray is an amiable person. Through reading, his favorite hobby, he has added to his liberal education. Raymond possesses an unusually pleasing soprano voice, and we expect him to gain fame by his forte.

Commercial Course; Gym Team 4.

Best Wishes
Catharine

CATHARINE F. HIGGINS
"Catharine"

Catharine is an industrious worker, who has always been known to take her studies seriously. She has been a member of the Student Council for three years, holding a position as treasurer of the organization for the past two. Catharine spends a great deal of her leisure time in playing either the piano or mandolin in the same efficient manner that she pursues all her tasks.

Commercial Course; Business Training Club 3-4; Student Council 2-3-4; Booster Staff; Clairian; Glee Club 2-3-4.

DAVID W. HINCHEY
"Dave"

What a geometrist is Dave! He has reached such a high level that he uses angles in his pitching. Dave has been the star twirler the past three years, and through his consistent hurling we have won two championships. In spite of his many outside interests, he is a distinguished student.

Academic Course; Alpha Delta Pi 3-4; Baseball 2-3-4, Captain 4; Clairian.

"If you don't succeed the first time, try again."

"Dave"

MILDRED T. HOKE
"Millie"

"Millie" is an exponent of Mill Creek. With the reputation Mill Creek students established for merriment and mischief, "Millie" had quite a task before her to keep up the Manor's prestige. We are happy to say that through her vivacious, bubbling personality her aim has been reached. Here's to a worthy "Mill Creeker!"

General Course.

GEORGE HONICKER
"Butch"

The only thing George doesn't like about school is that one has to make recitations, especially in geometry. He is a "regular fellow" and is always promoting some kind of fun. Butch is also a lover of books (dime novels), and is interested in automobile mechanism.

General Course; Alpha Delta Pi 4.

WILMER C. HONICKER
"Wimpy"

"Wimpy" joined us in the junior year. He has starred on the football and baseball teams, and our class is justly proud of the added talents he has brought to it. His many friends and admirers hope that he can use his sunny disposition and originality to cross the goal of life.

General Course; Football 3-4; Baseball 3-4.

MICHAEL HOSTINA
"Flips"

"Flips" is one of those fellows whose pleasures and joys overcome seriousness and study. He is quite a joker, but does not display this feature except to his intimate friends. We hope that success and happiness are in store for this jovial fellow.

Academic Course; Alpha Delta Pi 4.

JOHN D. KAMINSKY

"Demit"

Ever since John entered high school he has had a serious attack of "Saxophobia." He and his saxophone are practically inseparable. In the future we hope to hear John and his sax on world wide broadcasts. He is especially popular with his classmates, and according to the fairer sex, he is "God's gift to women."

Academic Course; Alpha Delta Pi 3-4; Booster Staff 4; Dramatic Club; Secretary; Prom Committee; Student Council 2-3-4; Clairian Staff; President 1.

ETHEL M. KARMAZIN

"Ethel"

Being quite attractive, Ethel has a winning manner, which has won her great popularity. Her classmates have shown their confidence in her by electing her a class officer for three years. She is attracted to commercial work and hopes to obtain a future in this field. Ethel is especially liked by the gentlemen of the class who continually bestow their attentions on her.

Commercial Course; Girl Reserves 1-2; Vice-President 1; Secretary 3-4; Business Training Club 3-4; Clairian Staff; Prom Committee; Booster.

MABEL M. KERSTETTER

"Bella"

Mabel has always been an ardent football fan, and could be seen at the sidelines during most games, rooting for S. C. H. S. She devotes her leisure hours to dancing and reading. Bella is a commercial student of high standing, and hopes to become a private secretary some day.

Commercial Course; Girl Reserves; Business Training Club 3-4; Dramatic Club.

ELIZABETH KLEINLEIN

"Beth"

"Beth" is a very sincere and serious commercial student. Inasmuch as her chief interest is in this field, it is natural enough that her ambition is to be a private secretary. We are confident that her application and skill will help her attain her desire. She is also interested in music, and likes to read.

Commercial Course; Girl Reserves; Business Training Club 3-4.

Larry never forget the time we had up in the paper shop especially the saturday Ed. R. came up and caught us loafing

JOSEPH G. KLEMAR
"Joe"

"Joe" is our mathematics fiend. His chief pastimes are solving intricate problems and coming to school late. We can't be too critical, however, when we consider his outside duties. Besides carrying a local paper, he works in a bakery, which occupation requires late hours. With these diversified abilities his success is practically assured.

Academic Course.

ANNA J. KOVICH
"Konky"

"Konky" is a happy-go-lucky girl. She is always on her toes to aid anyone who is in need of her good services. Her support of the athletic teams has always been outstanding. "Konky's" dancing feet have won for her a host of admirers, especially from the male element. With her pleasing manner, she is sure to create a favorable impression in anything she undertakes.

Commercial Course; Dramatic Club; Booster Staff 4; Business Training Club 4; Glee Club 4.

To Larry best of luck Wish you all kinds of success in your undertakings

CHARLES KATCHUR
"Katch"

To a great guy. Best of wishes. Remember me as a pal Charles

Charlie is one of our outstanding students and practical jokers. He enjoys riding in his model "T" Ford, which conveys him to many dances, where he excels in the terpsichorean art. He is an artist of rare ability and we expect him to duplicate some of "Angelo's" masterpieces.

Academic Course; Alpha Delta Pi 3-4.

Larry: Hope that you and Lil like school. Enjoy yourself. Katchur

MICHAEL M. KATCHUR
"Katchee" (the mad Russian)

Through the tireless efforts of this fellow the care of equipment, and other important details pertaining to athletic management are completed. The "female of the specie" did not attract Katchee, inasmuch as he had enough to manage, although he shows signs of being vulnerable. Mike is also artistic, and in this ability we place the probability of his future success.

Commercial Course; Business Training Club 3-4; Football Manager 4.

MICHAEL KOVACH

"Skyker"

MICHAEL is a very studious and industrious boy. He is noted for his jovial spirit which has gained him many friends, and maintained his popularity among them. His ambition is to become a lawyer, and he hopes to further his education toward this vocation. We hope that his endeavors will be as successful as his past ventures have always been.

Academic Course; Senior Play; Alpha Delta Pi 3-4.

STEVE KOVICH

"Finto"

EVERYONE notices Steve's reserved but ever agreeable disposition. He confines his spare time to reading and outdoor life. Steve is our "odd jobs man" around the school, and seeks the company of only a few choice friends.

Academic Course; Alpha Delta Pi 3-4.

FRANK R. KREBS

"Fitter"

VERY seldom "Fitter" is found in mischief, except when teasing the girls. He has distinguished himself as a baseball star. In fact he is interested in all outdoor life, taking frequent walks through the hills. "Fitter" intends to be a forest ranger when he leaves school, and we wish him the best of luck.

Academic Course; Baseball 3-4; Hi-Y 1-2.

JOHN D. KREBS

"Jack"

ONE of the more retiring of the boys, Jack never has much to say. He usually allows others to do the talking, thus being certain not to get into trouble. His shyness, fortunately does not extend to his school work, for when it comes to business, he's "Johnny on the spot."

Commercial Course; Business Training Club 3-4.

JOHN C. McCLOSKY
"Butch"

JOHN, a sagacious member of our class, is much admired for returning to complete his high school career, after an unavoidable absence of several years. He accomplished noble work as president of the Student Council. "Butch" also performs skillfully on the harmonica.

Commercial Course: Student Council 2-3-4; Business Training Club 3-4; Treasurer 2.

Best wishes
to you
don't forget
there will
be a
Student
Council
next year.
J. C. McCloskey

MARY J. MAKSIM
"Mary"

YOU can hear Mary before you see her. She is filled with school spirit and is always ready to give her support to a worthy cause, especially to the football team. She has a cherry smile for everyone, and her favorite topic is "Andy."

Commercial Course: Girl Reserves; Business Training Club 3-4.

I know you
will succeed in
all you undertake
and may the
best always be
yours.
Mary

STANLEY P. MICK
"Stan"

STANLEY is a very puzzling young man. He appears to be quiet and bashful, but we find him to be of a jolly and teasing nature, always seeking fun. Although it is not widely known, he is quite an accomplished musician. He has many friends, and is a distinct asset to our class.

Academic Course: Class Secretary and Treasurer 1; Alpha Delta Pi 3-4; Vice-President of Alpha Delta Pi.

Best of luck
to a happy
Junior
Stan

MICHAEL C. MISTYSYN
"Spike"

Academic Course; Glee Club 1-2-3-4; Booster 4; Alpha Delta Pi 3-4; Dramatic Club 4.

WALTER J. NOGA
"Walter"

THIS young man is our "Western fan." No matter where we see him, there we find a magazine or novel which tells of the thrilling times of the wild, wooly West. It's hard to decide whether the stories take his mind off school work or vice versa. Regardless of this diversion, Walter performs creditably in his classes.

General Course.

Senior Class History

WE, the Class of '37, constitute the largest group ever to be graduated in the history of Saint Clair High School. Our number, however, fails to match our achievements.

From our shy days as Freshmen, through four short years, we have been accumulating knowledge with amazing proficiency. Our sponsors, Miss Ray and Mr. Reese, were overwhelmed by our ability to do anything well. Our Freshman Party and Junior Prom will probably never be equalled, but our thoughts did not remain long on mere social functions. We had many goals to cross—and did.

The death of our President, William McCool, cast a shadow over our cup of happiness, during our Junior year, but in his name we carried on.

As Seniors, we recall the vital part that we have played in all school activities. Athletics, dramatics, publications, social activity, general fellowship and, of course, scholarship, would have been at low ebb without our indispensible support.

Facing life, we feel confident that we will do honor to the institution that has so fondly fostered us. It is our determination to strive on to success, with humility in our hearts, but with indomitable courage. We hope that in the end, the tolerance, broad-mindedness, and moderation moulded into our lives at Saint Clair High School will have had its effects on the character of our community.

Junior Class History

WE, the Junior Class, are proud to boast of the largest membership ever to have entered our High School. After two years of experience, the beginning of the present year found us wide awake and on our toes anticipating the responsibilitites and honor due us. The following officers were elected to guide us: Bernice Honicker, President; Mary Gorman, Vice-President; Ruth Daddow, Secretary; Thomas Malia, Treasurer.

Our achievements have been many; scholastically, athletically, and socially. The social high-light was the Junior Prom held on Christmas night. Despite many obstacles, the committee's untiring efforts, and the co-operation of each Junior, made this affair the "best." The swing time of the White Diamonds, the various novelties, and the seasonal spirit which prevailed, will long be remembered.

We have now reached a reflective period, and review with appreciation the past years. We are eager to go forward and to fulfill the real meaning of our motto, "Live to learn and learn to live."

Sophomore Class History

THE rugged rocks of inexperience and inferiority having been mounted by our class as Freshmen, we climbed to the somewhat smoother rock of our Sophomore year.

The members of our class have participated admirably in the various extra-curricular activities of the school. Some of its members are represented on the Gym Team, the School Band, in Athletics, the Glee Club, and have served as cheer leaders at the games sponsored by the school.

Our climb over the rocks has been smoothed by the following leaders:

President	Margaret Heller
Vice-President	Jean Gorman
Secretary	Wayne Rhoads
Treasurer	Eva Kadingo

Our Sophomore year has been pleasant and profitable. Therefore, as we enter the Junior year, we anticipate even greater achievements for our Alma Mater—the Saint Clair High School.

Freshman Class History

IN the fall of 1936 we entered Saint Clair High School, one hundred and eighty-four eager Freshmen. Our ambitions were high as we started on a new path in school life, and we faced all problems with supreme confidence.

Eleanor Kotch	President
Albert Kazlauskas	Vice-President
Jenny Ross	Secretary-Treasurer

After deliberating on matters of organization, we debated on the question of a motto. Finally our choice was, "Today we follow, Tomorrow we lead." This fittingly expresses our attitude, our confidence, and our goal as the future leaders of our High School and Community.

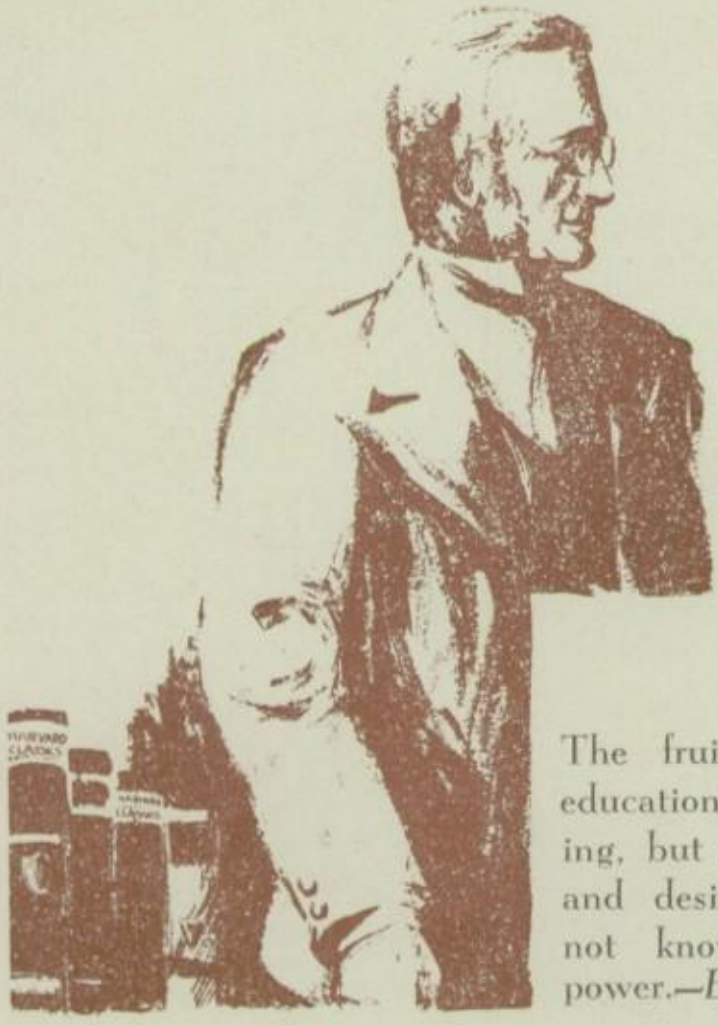
Activities



The fruit of liberal education is not learning, but the capacity and desire to learn; not knowledge, but power.—*Eliot.*

Parent Teachers Association

THE Parent Teachers Association of Saint Clair has had a busy year in its work for the betterment of this community.

The local unit of two hundred sixty-eight members, has been in existence since reorganization in March, 1936. The work of rebuilding this organization was directed by Mrs. Lydia Place, ably assisted by the following elected officers: Mrs. A. J. Mansell, President; Mr. Joseph Gwynn, Vice-President; Mrs. Harry Rhoads, Secretary; Mrs. Emil Haas, Treasurer.

The purpose and ideals of this movement demand commendation, and a general knowledge should be had of its aims. Being non-political, non-commercial and non-sectarian, the organization thinks only of child welfare as it strives for the following objectives—to promote child welfare in the home, school, church, and community; to raise the standards of home life; to secure adequate laws for the care and protection of children; to bring into closer relationship the home and the school, that parents and teachers may co-operate intelligently in the training of the child; and to develop between education and the general public such united efforts as will secure for every child the highest advantages in physical, mental, moral, and spiritual education.

Such ideals as these should arouse the interest and co-operation of every parent, and with continued support, a great improvement in the life of the youth of Saint Clair can be effected.

Worthy projects have already been fostered by this energetic group, chief of which was the pre-school Medical Clinic held in September, 1936. This clinic provided for the examination of all children starting on their school careers, and prescribed for their deficiences. This work is of high merit.

On December 22 a Christmas Party was sponsored for the entertainment of the grade school children, and it, too, was successful in attaining its purpose.

The regular meetings of the organization never fail to bring up points for discussion, that are of general benefit to the school system and the town. With proper co-operation in carrying out the program for the future, objectives almost unbelievable can be attained by this civic-minded body Such a commendable work deserves your *support*.

SELF GOVERNMENT EXPLAINED

THE Student Council of the St. Clair High School, organized for the purpose of promoting the general activities of the school, the best interests of the school, to foster sentiments of law and order, to create co-operation between students and faculty, and to create and maintain standards of good citizenship among the students, is now three years old.

We are proud of our Council, because it is accomplishing those things which it set out to do. Undaunted by the discouraging remarks of some of their schoolmates, the councilors and their aides have, through sheer rigidity of purpose and the quality of good fellowship, kept marching ever forward trying to instill in the minds and hearts of their schoolmates a spirit of school-mindedness which will ever tend to make our school a better and happier place to attend.

Among its outstanding achievements for the year, were the Freshman Introduction Party, its gallant and successful attempt to keep the classes passing in speedy and good order, the sponsoring of four student assemblies, the selling of Booster pins, and the fostering of a movie to help defray the expenses of the most important event of the year, the Athletic Banquet. This was the first official athletic round-up in the history of the school, and from all the comments it was a fitting beginning of a regular annual affair.

There is no doubt in the minds of most of us that student government is making rapid strides toward its goal, and with Miss Ray at its helm the course will be straight and the trip fast.

FOR HIGHER MATHEMATICS

ON October 27, 1932 an honorary mathematical fraternity was founded at Saint Clair High School for the purpose of stimulating interest in mathematics and promoting general scholarship.

This organization was an outgrowth of the Mathematics Club, and has developed in the few short years of its existence, until it now enrolls one hundred and forty-three members. The members are rquired to be of at least Junior standing, with averages of 80% in their mathematical subjects.

Each year at graduation, awards are given to those members attaining the highest average. In 1936, Leo Prima and Albert Puches were the recipients of this honor. The officers of the organization are:

President	Michael Shandor
Vice-President	Stanley Mick
Secretary	Adele Bixler
Treasurer	Pearl Robertson
Chaplain	Sue Dudish
Publicity Chairman	George Williams

"THE LITTLE THEATRE"

THE Dramatic Club was organized early this year for the purpose of developing dramatic talent and interest. Miss Monahan sponsored this organization and its popularity is proven by its large enrollment. However, it became necessary to limit admission to Seniors and Juniors.

The efficient manner in which the club produced the Thanksgiving and Christmas Assemblies, attested to its worth. A three-act play was presented late in the Spring, the proceeds of which went into the High School Building Fund.

The officers elected for the initial year were:

President	Adele Bixler
Vice-President	Bernice Honicker
Secretary	Anna Monahan
Treasurer	Ruth Davis

MUSIC FOR ALL OCCASIONS

THOMAS L. JENNINGS, *Director*

HERE comes the band! This is an expression that now calls for our whole-hearted interest and pride.

After a summer of frequent rehearsals, the organization was rewarded by the purchase of natty red and blue uniforms. This encouraged the members, and when they appeared in the Hallowe'en Parade in their new attire, the community showed its sincere appreciation of their efforts by rounds of applause.

A Fall and Spring concert were scheduled, as well as a combined musical with Glee Club, to be given in May. Also, the band played at the unveiling of a memorial to the late John W. Reese, by the P. O. S. of A., of which order he was the national treasurer. Participation in the "Millionnaire Revue," held in February, was included in the mid-winter activity program.

Other civic functions have called for the services of our popular musical group, and at last we realize the fulfillment of a long felt need.

"THE LAUGHING GUEST"

ON December 3 and 4, 1936 the Senior Class presented its annual play. The production was a delightful farce comedy, entitled "The Laughing Guest." This burlesqued mystery kept the audience in suspense, as to the identity of the Laughing Guest, until the final curtain. Critical observers declared that it surpassed all former Senior Plays.

The cast of characters were as follows:

BOOSTING THROUGH THE NEWS

THE Booster, our school paper, has been a dominant factor in moulding the lives of the St. Clair High School Students.

The primary aim of the Booster was to create greater fellowship between the students, by discussing in editorials and special features the problems in which all should be interested.

In bringing about this desired end, a second purpose was accomplished, for the publication brought out dominant literary and artistic ability in our classmates. The mimeograph division had ample occasion for experience in completing our color editions.

A third noteworthy achievement was the attempt to instill broad-mindedness by presenting viewpoints of well-known educators in several issues.

This worthy project was successfully carried through, because of the sage and untiring aid of Miss Ray.

Business Training Club

PREPARATION FOR WORLD OF COMMERCE

THE Business Training Club of the St. Clair High School, the outgrowth of the commercial club formed in 1927, was chartered by the Student Council as a high school organization in 1935, having as its object the promotion of the interests, welfare, and standard of the commercial students.

Through the influence of the Club and Miss Ray, St. Clair High School was honored by having Mr. George Hossfield, nine times champion typist of the world, give a personal demonstration in the auditorium. They issued an invitation to all the surrounding schools, who very gratefully accepted the opportunity to attend.

Aside from the regular routine of studying the operation of different kinds of office machines, office practice and routine, the members of the club discussed with the manager of the Necho Allen the art of hotel management, and had the privilege of hearing Miss Mary Karmazin of the Schuylkill Trust Company of Pottsville give a very educational talk on banking. Numerous field trips in and about the county were part of the program of the club. The outstanding event of the year was the field trip to Harrisburg and Hershey, where the State Government Buildings and industrial plants were visited. The funds for this trip were raised through the medium of a card party.

In addition to all this studying and traveling, the club very gladly donated its services to the Booster Club and mimeographed the school paper. At least once a month, different members of the club dramatized problems which they will meet and have to solve when they get out into the business world.

The Business Training Club is to be congratulated for being so wideawake in taking advantage of every opportunity to raise the standard of the commercial department and the school. Miss Margaret C. Ray and Miss Anna T. Quirin are the advisors.

Athletics

If a man empties his purse into his head, no man can take it away from him. An investment in knowledge always pays the best interest.

—*Franklin.*

Taking a Backward Glance

AS the dawn of a new athletic era creeps over the horizon, we see fit to look back toward the hours of the past, and pay tribute to the humble origin of this phase of Saint Clair High School activity.

Just as in many of the smaller communities of the region, the organization of an athletic program in Saint Clair was definitely lacking until a few short years ago, and "many a desert flower was born to blush unseen." In the days of "suicide" football we had the forerunner of our modern, "letter-man." Unfortunately we do not have a record of all those interested at this early day, but we must mention a few names that linger in the fancy of the "old timers."

Previous to 1904 expression for an athletic program was voiced by such men as Robert F. Weaver, Samuel Daddow, Bob Evans, Harry Gwinner, Will Rogers, William O'Donnell, Mart Duffy, George Cockill, George Conrad, and Morris Oestrich.

Later, the classes up to 1908 produced such other potential athletic heroes as Joseph Farne, Charles Gwinner, Harvey Harrison, John Gorman, Harry Rhoads, Elmer Williams, Gregory Hein, and Linus Raring.

After this group had graduated a lapse is reported to have occurred, without a definite attempt at athletic organization taking place until 1911-12. At this time quite a few of the boys were developed well enough to gain reputations in regional competition. Among these were listed: Tony Miller, Harry Gorman, "Fly" Lawless, Roy Gorman, Hugh Larkin, Walter Marshall, Bob Baldwin, Nat Sterner, Charles Kantner, Charles Roberts, Doc Jacoby, Bill Collihan, Joe Geary, Walter Stephens, and others.

Again there came a lapse. A subsequent revival of athletics was made in 1916-17-18, when Dick Fox, Theodore Beaumont, Dan Moriarity, Archie Larkin, Edmund Whims, Jack Herring, Jack Brown, Russel Holshue, Christian Miller, John Buchanan, and several others led the movement.

The class of 1922 is credited with the next attempt to organize a definite scheduled program and this is really the beginning of the modern era. Baseball, basketball, and football, brought out the talents of the following students: Leo Chylak, Bruce Beaumont, Theo. Chylack, Michael Karmazin, John Reese, Francis Welker, Otto Miller, Bert Morrison, Clarence Johns, Henry Davis, Stanley Miller, William Griffiths, Tom Short, Luther Montgomery, Peter Chylak, Amza Ferrebee, G. Dedalites, E. Buchanan, D. Chadwick, W. R. Super, and J. Gorman.

Several boys in this group, from the class of 1924, formed the nucleus around which athletic teams centered for the next two years, and there has been but one short lapse since that time (season of 1926). The team of 1925 boasted of wearing the first football uniforms to be purchased by the high school, and there has been a gradual improvement in the management of athletics since that time.

Now after a decade of organized sports we can appreciate the lack of facilities and programs in the past, and look forward to a new regime, new opportunities, and new records in a new Saint Clair High School.

The Football

A TEAM that lacked weight, numbers, and experience, yet one that rose to great heights, was St. Clair 1936 edition. A team that outplayed and outfought most of its opponents until overwhelmed by sheer numbers! A team that placed four members on county all scholastic squads! A team that again showed that clean play and excellent sportsmanship so characteristic of St. Clair High squads! A team that loses but five members and holds great promise for next year! Such was our club!

Let us review our season's record. At Minersville the Saints, led by their 185 pound fullback, Red Conlen, completely dominated play the first half, but lack of reserves proved their downfall, and the Miners emerged victorious, 26-6. Captain Zelinsky, Captain-elect Becker, Conlen, Honicker, Sterner, and Panko played sterling games.

At Blythe, facing the most powerful team in Eastern Pennsylvania, our team was completely outplayed for the only time during the season. Even then a stubborn defense held the powerful Hilltoppers to 13-0 the first half; one score coming on a blocked kick, one minute before the half ended. The inevitable result of a constant stream of replacements and the Saints' lack of them caused a second half let down, and we were defeated 32-0.

Season

First row: Edwin Sterner, R.E., Joe Rumbavage, R.T., Andrew Panko, R.T., Stanley, Zelinsky, R.G., Charles Becker, Center, Joe Bosche, L.G., Robert Boyer, L.E. Backfield: Andrew Stempien, H.B., Martin Mooney, Q.B., Red Conlen, F.B., Wilmer Honicker, H.B.

At Schuylkill Haven on a field ankle deep in mud, and against a team their size, the Saints scored a 6-0 victory. Honicker intercepted a forward and dashed 80 yards for a score. Stempien's great open field blocking made it possible for the run. The center of the line co-operated in holding the Havenite's in their own territory all afternoon.

At Cressona the weight and numbers advantage was on our side, and Cressona was beaten 32-0. The second team played most of the game and some promising material was uncovered. Hupka, Rhodes, Padamonsky, Suchko, Leone, were a few who performed excellently.

At Frackville our club was defeated 26-0 on a windswept field, with the temperature hovering at zero. The old story was again repeated. After outplaying the Fracks for the first half substitutions and injuries caused the crack-up. Final score 26-0.

Branch was defeated 28-0 in a game that was reminiscent of Cressona. The advantage was on our side. Howels ran 80 yards for one score and Conlen, Mooney, Honicker, and Stempien gained at will.

Shenandoah, our final game, was the scene or the completion of one of the longest schoolboy passes ever made in the coal regions. Red Conlen threw a 63

yard pass to "Wil" Honicker for a touchdown. The final score 41-19 does not tell the complete story. A fumble, three weak kicks, and two damaging penalties made Shenandoah scores possible. Four fumbles in the first quarter within Shenandoah's 20 yard line lost several golden opportunities.

Red Conlen at fullback and Stan Zelinsky at guard were unanimous choices for All-Scholastic honors. Becker and Honicker were second team choices. With the loss of but five men, and a squad of 30, including 14 lettermen, returning, prospects look bright for next season. The Clairian extends best wishes for a most successful year to come.

PROUD OF THE RECORD

THE review of the 1936 baseball season is a pleasant one.

With a championship to defend and a traditional quality to match, the St. Clair High School ball players once more came up to expectations. Minor failures do not dim the honor of winning the Northern Division Championship of the Scholastic League. Rather, the team feels that it never did reach its highest peak of performance.

The loss through injury, of Ed. Skubish, the scintillating shortstop and heavy hitter, almost proved too high a hurdle to get over, at the beginning of the season. However, Captain Jones rallied his forces, and with Honicker proving a capable replacement in the short-field, drove them on through another successful campaign.

The two losses to our friendly jinx, Cass Township and the hair-raising play-off game with Porter Township the Southern Division winner, were the flies in our ointment of complete happiness. The team concedes victory to these rivals but not superiority.

Captain Jones led the hitting with a remarkable performance of .620, as well as earning the reputation as an infielder seldom found in schoolboy ranks. He was ably assisted by his fellow seniors "Herm" Gawley, Tom Stone, George Hupka and Bill Post. They will be hard to replace, but an optimistic group of aspirants are ready for the effort.

The pitching staff performed wonderfully. The loss of Bill Post by graduation will be soothed by the realization that Dave Hinchey, Stan Skearton, and Wabby will be back on the mound to climax their careers with sterling exhibitions. The work of Hinchey has been especially fine and he is determined to surpass even our greatest expectations this year.

"THE ENCOURAGING ELEMENT"

THE Cheer Leaders of Saint Clair High School deserve a great deal of credit for their perseverance in the task of instilling loyalty and school spirit in the hearts of the students.

The charming group of leaders adopted and introduced several new cheers and yells, which were received with enthusiasm. As there were no home games scheduled in football, the use of these cheers was practically limited to the pep meetings in the auditorium. But nevertheless the girls managed to appear at out-of-town games, to lead the faithful followers of the Red and Blue in the support of their team. The team appreciated this sterling loyalty, and responded with splendid efforts.

The enthusiasm reached its peak during the week of the Shenandoah game. This was the last contest of the season, and a gigantic pep rally was held. The walls of the auditorium fairly trembled with the vibrations. There were cheers, songs, speeches, cheers, and still more cheers. The emotional reaction to this demonstration was definite. The large crowd that followed the team to Shenandoah the next day was proud of the fine exhibition that our boys put forth.

Undoubtedly good cheer-leading produces results. The co-operation afforded the members of this year's group was a great factor in the team's success. We are confident that the 1937-38 season will realize even greater triumphs in athletic competition, but not without the aid of our "spirit-raising corps."

Miss Ray was the advisor of this group.

Boys

First row: John Krull, Charles Russel, John Miklochik, George Williams, Joseph Paulin, Michael Vrabel. Second row: Joseph Brady, Manager, George Suchko, Walter Howells, Allan Sterner, Coach; James Conlen, Albert Hupka, Thomas Malia, Assistant Manager.

THE Gym Team, which has just ended its third year of activity, occupies a foremost position in the Saint Clair sport-light.

George Williams and Mary Fitz, the captains of this year's popular gymnastic group, realized that the task of improving upon the work of the teams of the two previous years, would be quite difficult. The first team organized, and led by John Thomas and Ruth Evans, performed creditably, but the team of 1935-36 reached greater heights. Under the leadership of Joe Scanlan and Anna Zelwalk, this club appeared at Bloomsburg and East Stroudsburg Teachers Colleges, where it met the most formidable type of competition and made a fine showing. The feat of winning the "State Prize" in dancing featured our team's performance at the latter place. To match this record, the aspirants for the team of 1936-37 determined to devote every ounce of energy they possessed.

The lack of the necessary apparatus prevented the possibility of a complete gymnastic routine, but in spite of this the team at least became acquainted with apparatus work by visiting the gymnasiums of several nearby high schools. Such a situation emphasized the great need and the keen anticipation of a well-equipped athletic plant of our own. Nevertheless, the determination to succeed carried Coach Sterner's 1936-37 edition over all these obstacles.

The first public demonstration was given in the "Millionaire's Revue", February 4, and the exhibition was well received. Four other scheduled performances were listed. Blythe Township High School was the scene of the second appearance, followed by the Annual Exhibition at home, February 25th and 26th. After this the team traveled to Bloomsburg and East Stroudsburg to compete once more against the leading high schools of the state. The results of these meets are not as yet determined as this material goes to press, but the students and friends of Saint Clair High School wish Mr. Sterner and his proteges the best of success in their efforts.

Other than the captains, the veterans whose abilities are lost due to graduation are Pushcarovich and Udut, participants in the girls' events, and Conlen, Vrabel, and Hercha of the boys' team. The task of replacing such seasoned artists is certainly a difficult one.

The outlook for 1937-38 is unusually bright, because of the increasing interest in the lower classes, and the increasing interest in the lower classes, and the discovery of fine Freshman material. Apparently, the future gymnastic teams of the school will ascend even greater heights in their quest of athletic honors.

Can You Remember

1. The high school boys waiting for the girls to come from their Friday evening sewing class?

2. When St. Clair High School football teams had 157 plays and no system?

3. When the "down-towners" and the "up-towners" had pitched battles with frozen snow balls as the chief weapons?

4. When we all went coasting during mid-term week?

5. When 14 years was the age of freedom from school oppression?

6. When the "main room" with 104 seats therein, was a comfortable assembly hall?

7. When you brought an apple for the teacher, or hated the person who did?

8. How you felt when midst applause and boos—you marched as a freshman into St. Clair High?

9. Any of the poems or songs you learned, to be presented on Friday afternoon programs?

10. When in the throes of puppy-love you chose your first beau?

11. When high school students were not too sophisticated to roller-skate, coast and carry books home?

12. When Saturday night in the movies was High School Night?

13. When John Bunny and later Fatty Arbuckle were the tops in movie comedians?

14. When the fate of Ruth Roland or Pearl White kept you awake nights until the *next* episode?

15. When Wallace Reid broke more hearts than Robert Taylor?

16. When an ice cream at Wellner's and a walk "down the lane to Cooney's" constituted a big night?

17. When St. Clair had a real baseball park and people actually paid admission?

18. When No. "90" which ran on the "short-line", was ultra-modern in trolley cars?

19. When raspberries were fruit and not jeers, and when booing was reserved for ghosts?

20. The Labor Day foot-races that drew fans from all over the county?

21. When it was a disgrace and veritable death sentence to take a flunking grade to your home?

22. As many as six local boys came into county prominence through foot-racing?

23. When Saint Clair High School athletes bought, begged or borrowed their equipment, and played for the love of the game?

24. When football officials were "homers," and courtesy to a visiting team was unknown?

25. Saint Clair athletic teams winning championships?

26. The first radio you ever heard?

27. When the "tango" and short-skirts were considered as evidence of the decline of humanity?

28. The beautiful shade trees in Saint Clair, and the myriad of beautiful picnic grounds surrounding our town?

29. When thirty miles an hour, and a drive to Tamaqua taxed a person's nervous system?

30. The days of 1c ice cream cone, the full pay-envelope, respect for "law and order" and not sit-down strikes?
